

Our Ref: PS/RH

28th March 2017

Dear Parent/Carer

I am writing to inform you that Year 11 students have completed mock exams in both English and maths after the Praising Stars 4 deadline. Therefore, their results do not feature on this report.

As there have been many changes to these two key subjects this year, it is our intention to share the results of the mock exams in an assembly where we can explain the implications of these changes to your child.

I am pleased to share with you that the hard-work of students, and their resilience has shown a marked improvement in these exams. Staff have specifically requested that they are present with students to express their pride in the outcomes they are now achieving.

We will provide your child with a written account of their performance, so you will be able to discuss this with them.

With Year 11 exams rapidly approaching, please continue to encourage your child to attend revision sessions and remain focussed at this most important time.

Yours sincerely

Dr P Smith
Executive Principal
